Above are some view of the interior layout of our
Regular Special Event Unit. Interiors include toilet
paper holders, urinal, and tank venting systems. For
an even more comfortable experience, ask our team
about our VIP Portable Toilets & air conditioned trailer-
mounted Comfort Stations!

REQUIREMENTS

Service truck needs access to drop off,
service, and pick up your Portable
Toilets. Other than this, they are
completely self- contained and can be
set up almost anywhere.

Our Portable Toilets are not
recommended for inside use.
